CHERI EXCLUSIVE

EXTREME ORGASM LASTS 35 YEARS!

Pizza and beer. Meat and potatoes. Chocolate and peanut butter. Penis butter and KY Jelly. Cock and pussy.

Some things naturally belong together. For the last 35 years we at CHERI have been celebrating what comes naturally. We heed the clarion call of our reproductive organs, and follow their salty lead. CHERI Magazine is a celebration of sex, pure and simple. Sometimes it's as basic as cock-and-pussy penetration. Sometimes it's a complex dance of strap-on dildos, sticky fingers, and squirting vaginas. Sometimes there are too many men, and not enough wet holes. Other times it's a full-bore dyke-fest with nary a sausage in sight. It's all good, as long as genitals are tingling and people are cumming.

For 35 years CHERI has celebrated sex in all its various forms. Well, that's not entirely true. We like chicks, and we pack our pages with the most beautiful women on earth. Sex for us is about the soft, supple curves of womanhood, the cascade of her hair, the liquid grace of arms and legs in motion, the sensuous fullness of her lips, the smoldering desire in her eyes. Yes, we love women, and for 35 years CHERI has featured women at the peak of their desirability, serving them up hot and fresh on our pages for your visual consumption.

So enjoy CHERI's 35th Anniversary Issue—the greatest sex magazine ever published! Let the feast begin!

Love,

Jesse

SASHA

Sasha's a fun girl. She likes to play. She plays with boys and girls alike. Doctor, House, Hide the Salami...there are so many games to play that require getting naked and touching each other. These are Sasha's favorite games to play. But when there's no one around, Sasha is more than happy to play with herself, fingers sliding deep inside her juicy box, palm slick with liquid excitement. Today's game is called "Bad Girl In the Bathroom." When Sasha plays with others, the game usually ends with an orgasm. But when she plays alone, an orgasm is a sign the game has begun, the first of many climaxes strummed out by Sasha's eager fingers. Play hard, Sasha. We'll cheer you on...

BIG TIME GUSH

Hot Squirting Slut Makes Her Dripping Wet Debut

By Jason Danilak

Every guy dreams of being a porn stud. And why not? Getting paid to have sex with hot, horny women is a pretty sweet deal. Real Productions has made this dream come true for hundreds of guys in their popular First Time series. But when Iron Lee contacted veteran producer Vicki England, he was dreaming a little bigger than most.

"Most guys are happy just fucking a pretty first timer and bragging to their mates afterwards," England explains. "So Iron's request was a little strange."

The armored car driver told England he wanted to direct his own series for the company. He even had a name picked out for it; Iron Lee's Sluts of Fury. England had to resist an urge to laugh at the serious sounding voice on the phone. "What makes you think you have what it takes to be a porn director?" she asked him.

"I watch porn pretty much all the time," Iron replied. "I've shot POV scenes with just about every girlfriend I've ever had. I've shot hundreds of hours of public up-skirt videos without ever getting caught."

England was about to hang up when Iron added, "I've even got a really hot girl willing to shoot with me."

Bingo. England was interested.

Lee Devon was a 20-year-old student when Iron Lee met her in line at a gas station. The petite blond had considered shooting porn as a means to pay her university tuition, but didn't think it would be possible since she lived in Regina, a small Canadian city of about 200,000 people. No one shot porn in Regina! And yet here was a strange guy propositioning her in a gas station to do just that.

As luck would have it, England was shooting a reality series called "Make Me a Porn Star" and a few episodes were being shot in Canada. So she changed her travel plans to include a stop in Regina.

"I was impressed with Devon straight away," England reports. "She had a sexy look and was willing to do it all; oral, anal, girls, guys, groups."

Iron was another story. He was so nervous, his hands were shaking noticeably.

"I wondered how he was going to hold a camera and perform while having what looked like a mini seizure."

To be safe, England decided to shoot second camera herself.

"Odd to have two cameras in a POV scene, but I wanted to make sure we had at least some steady footage."

The trio met in Devon's apartment and the girl was dressed in jeans and a halter top. She was so eager to shoot, she told England they could shoot in her bedroom.

Unpacking his little camera, Iron looked as eager to shoot as his lovely co-star. Starting with an interview, he asked the girl such illuminating questions as "how old are you?" and "did you go to school?" England raised an eyebrow; doesn't everyone go to school? Jumping in England asked a question of her own, "So, Devon, do you have any special talents?"

Devon nodded. "I can make myself squirt," she replied.

"Oh, I would like to see that!" England exclaimed.

Since they were in her apartment, the first time porn starlet had her toys handy. Pulling a vibrator out of a dresser drawer, she kicked off her tight jeans and sat down in a nearby chair. Almost as soon as the vibrator touched her clit the water works started.

England had seen plenty of squirters, but none who got off as quickly as Devon. The girl came again and again, spraying girl-cum everywhere. She didn't seem to care that it was drenching her chair and the zebra pattern carpet below. England was glad they hadn't shot the scene in her hotel room.

"That was amazing, girlie," England said when Devon was finally finished. "Why don't you show Iron what other talents you have?"

Watching her cum had turned Iron on, and he raised his camera in one shaking hand while the other undid his pants.

Devon crawled across the floor and took his hard cock in her mouth almost the second it popped out of his pants.

Iron, who lists such directors as Max Hardcore and Jules Jordan as his influences, wanted to make the scene as hardcore as possible. Grabbing Devon's hair in his free hand, he fucked her face with all his might. Devon didn't seem to mind. On the contrary, it seemed to turn her on, and her fingers dove between her legs where they quickly elicited another flood of cum from her swollen pussy.

"You're a dirty slut, aren't you?" Iron asked the girl. England groaned. She had forgotten all about Iron's dumb title. *Sluts of Fury* sounded like a bad karate movie.

"Get on the bed, slut, so I can fuck you."

Devon did as she was told and lay back on her bed with her legs spread wide. Iron wasted no time mounting her, the camera swinging wildly in his hand. Conscious that her footage was becoming more and more important, England rushed to the bed, her stocking feet landing in the large puddle on the floor.

"Fuck me hard!" Devon exclaimed. "I can take it!"

Iron fucked her with all his might, his camera all but forgotten. He fucked her missionary, cowgirl and doggie before it was time for anal. Keeping her on her hands and knees he tried to jam his semi-erect cock in her tight asshole but it was too dry.

"Do you have any lube?" he asked.

"Who needs lube?" Devon replied, thrusting her fingers in her pussy. Watching her lubricate her ass with her own pussy juice, Iron quickly got fully hard again and thrust his cock inside her asshole like a heat seeking missile.

"Do you like that?" he asked. "You like being fucked in the ass?"

"Oh yes, it makes me cum!" And with that she jerked another torrent of cum from her pussy, drenching the bed.

Iron ass-fucked the newcummer as hard as he could. She took it like a champ, moaning and squirting all the while. After about ten minutes of intense ass fucking, Iron was good and ready to burst. He told the moaning girl, "Get on your knees and open wide."

Devon hopped off the bed and positioned herself as directed. Iron stood over her and began jerking his cock into her waiting mouth.

"Are you going to be a good slut and swallow?" he asked.

"You know it."

With a loud grunt Iron shot a huge load into Devon's mouth. She nearly choked on it, but kept it in her mouth and even managed to display it for the cameras before swallowing it down.

"All gone," she said. Iron thrust his cock back in her mouth so she could suck him clean, and then turned the camera on himself.

"And that, ladies and gentlemen, is why it's called *Sluts of Fury*."

Keeping her own camera trained on Devon's busy mouth, England looked at Iron.

"About that title..."

BLUE
TAKES IT IN THE BROWN

BLUE ANGEL

In a way, it's easy to become a porn star. All you have to do is fuck on camera. Lots of girls do it, but few do it well. And fewer still are able to copulate on camera in such a way that we remember it, rewind and rewatch it, and seek out other films starring these rare birds. Adult performers with true "star power" are few and far between, but once you've seen one "do her thing," you know you are in the presence of fucking greatness. That's how we feel about Hungarian hottie Blue Angel. She has all the tools required to become a porn superstar—a pretty face, a slammin' body, and a non-stop sex drive. This girl is always horny and she loves to fuck! Look at her go to town on David Perry's dick and you'll feel the same. Blue Angel is one to watch—and wank to—in the months and years ahead!

LEX THE IMPALER 6

SIZE QUEENS MEET THEIR MATCH IN MR. STEELE'S FOOTLONG FUCK-STICK!

Jules Jordan teams up once again with the legendary Black Bastard—Lexington Steele—to bring us their vision of quality interracial porn in part six of the Lex the Impaler series. As with all the films Jules helms himself, he reminds us why he is the king of tease as he makes sure to glide the camera up and down the scantily-clad girls (almost all of them Latina in this flick). Each of the six scenes takes plenty of time to showcase the ladies individual assets before each of them takes on Lexington Steele's powerful member. This time the willing babes include Bree Olson, Phoenix Marie, Kristina Rose, Mariah Milano, Jenaveve Jolie and Jenna Presley. As always, Lex shows how easily he squeezes himself into tight spaces.

By Rob Perez

BREE OLSON

One of only two non-Latinas appearing in this flick, Bree takes a break from being Charlie Sheen's "goddess" to let Lex plow her pussy. Bree starts out the scene blindfolded and restrained to a stair railing. The white lace bra and panties look awesome, and she's wearing matching stockings and heels too. Lex enters the scene but doesn't rush since Bree's not going anywhere. He gets a feel for the goods and you hear Bree talk in that innocent voice she does so well. Bree's restraints are eventually taken off and she's allowed to see the monster cock she's about to wrap her both set of lips around. She blows Lex's thunder cock before moving neatly to some pussy sex. Those lips part pretty wide to let Lex pound away. It's a bit tighter when he moves into that ass, but Bree is a champ and takes him pretty good, nearly taking Lex balls deep. Lex ends the scene with a strong facial blast for Bree, who offers good cleanup. Damn, Charlie better hope Bree's elastic holes tighten back up if he ever wants to feel the velvety snugness of her ass or pussy again! If not, she'll need to swap that "Winning" t-shirt for one that reads, "Leaking".

KRISTINA ROSE

Sexy cowgirl Kristina Rose is all ready to lasso something big and black. The outfit is really cute, but let's face it, Kristina needs only wiggle her ass to provide fantastic tease footage. When she gets her hands on Lex, Kristina uses the gloves to get him one sensation then hits him with her warm wet mouth. She looks at it like she has found perfection and pops it right into her mouth. Lex looks at her ass with the same adoring gaze as he buries his face in her big perfect cheeks. Before she fucks him, Kristina rubs that big cock against her ass and lets it slide between her cheeks. Once it is inside of her pussy, she literally rides it like a rodeo champ. Great hip movements and she talks up a storm while impaling herself. Plenty of spectacular ass shots as well. Her ass is the next target and she pushes all the way down on him. The reverse cowgirl is wild. Kristina screams and throws her legs up in the air like she has never felt anything so good. Her reward is a big load of cum that Lex fires right into her mouth. She sucks the final few drops out, and looks up with eyes filled with worship at her new master, The Impaler.

PHOENIX MARIE

Phoenix Marie is the other white babe looking to swing on Lex's black meat in *Lex The Impaler 6*. Phoenix has a willingness to do it all, and always gets off while doing it. She teases in her sexy lingerie by the front door, Lex's pecker poking through the metal doorway to rub on her snatch. She blows him through the door and gives him a wet titty fuck. But Lex is anxious to tap her juicy holes. He savagely plows her pussy, like an angry farmer working arid soil, and naturally progresses to an anal plundering. Phoenix screams with pleasure as Lex's tool stretches her asshole to new dimensions. The chemistry between Lex and Phoenix is palpable, and he wipes the dazed expression off Phoenix's face with a blast of cum. When Lex fucks `em, they stay fucked!

JENNA PRESLEY

Jenna is dressed in a sexy one-piece outfit that shows off her store-bought tits and round ass. She chats a bit with Jules before heading upstairs, her thong snugly encased between her ass cheeks. She finds Lex waiting at the top of the stairs and immediately grabs his huge cock. She releases the throbbing python of love and starts sucking on it. She gags on it and slobbers all over it. Jenna starts heading to the bedroom but Lex can't wait and fucks her on the stairs in doggie. They finally get to the bed and Lex drills her in mish, cowgirl, reverse cowgirl and spoon. Lex creams Jenna's face and she swallows most of the treat. We haven't seen Ms. Presley perform this good in awhile...perhaps she was inspired by her co-star's performance.

JENAVEVE JOLIE

Watching Jenaveve Jolie stand naked in front of a mirror is enough to make us want to shoot rockets in her honor. She spends some quality time in the bathtub, showing off her sexy ass, perfect tits and mouth-watering pussy. It's slow and sexy, but we're ready to dive into the water and lick her from head to toe. Lex comes in and slips his lengthy cock between her soft tits. Jenaveve rubs her boobs together than smacks his dick on them before sucking his balls lovingly. Her mouth gets him ready and then her pussy swallows him up during standing doggy. Her body is amazing, and the longer shots provide us with a perfect view. Lex takes her on the counter and then lays her down so we can see just how perfectly built she really is. She grabs his dick and sits right down on it. Lex finishes off with a big load of cum all over her pretty face.

MARIAH MILANO

Mariah Milano's scene gets off to a good start as we're poolside and get a great ass shot right out of the gate. Jules enjoys some alone time checking this hottie out, and Mariah has fun showing off her boobs, face, pussy and ass. We enjoyed the perv walk too as Jules follows behind during Mariah's walk. The tease was heavy with shots of her ass, before Lex joins in and gets a firm grip on the situation. Going inside, we get Mariah working his cock out and we enjoy a nice, sensual BJ with Mariah deep throating as much as she can. The sex was hot, working through several shots, doggie, cowgirl, reverse-cowgirl—all the positions you know and love. Lex decorates her face with another good pop. Smile pretty for the camera...slut!

Lex The Impaler 6 is another outstanding feature from Jules and Lex. This two-disk collection has everything you could possibly want in an adult title—beautiful women with flawless bodies, facials, swallowing, anal, all overshadowed by the biggest dick in the business! Let the impalement beginning!

PINK MEAT TACO

VALERIE & MELANIE

Photos by Nicolas Sage
www.sagestyle.net

Let's set the record straight: Melanie Rios and Valerie Rios are not related in any way. In fact, these girls are vastly different from each other. Melanie lives in the Valley, while Valerie's from The Hills. Melanie likes hip-hop, while Valerie listens to opera and classic rock. Melanie allegedly fucked Charlie Sheen. Valerie thinks Charlie's a douchebag, but wants to fuck his brother, Emilio Estevez. But these lusty Latinas have two things in common—high-octane sex drives and lesbian tendencies. The girls stay naked and entangled for hours. Melanie is sitting on Valerie's face when she screams, "*Aye! Chupame, conyo sucio*!" We don't speak Spanish, but we think that means she's cumming. Or maybe it means, "Your face is comfy, like a padded toilet seat." Either works.

elegant angel presents...

PERFORMERS
OF THE YEAR 2011

The Best of the Breast (And Pussy) Unite For A Modern Erotic Masterpiece!

By Rob Perez

Photos courtesy of Elegant Angel **www.elegantangel.com**

Elegant Angel is a wall-to-wall, down and dirty sex studio. For years the studio has produced some of the industry's finest smut. One of the most highly anticipated films of the year is director William H. Nutsack's, *Performers of the Year* installment. Who wouldn't want to see all of the girls nominated for the Performer of the Year Award fucking and sucking on one awesome disc? No one—except for some goddamn homo!

This year's Performers of the Year actresses are a standout group. With names like Gracie Glam, Phoenix Marie, Asa Akira, Tori Black, Jayden James, Kristina Rose, and Nyomi Banxxx, this DVD promises a lot—and delivers with every scene!

gracie glam

Gracie Glam is a newbie, but don't let that fool you. She belongs in this film. Her pretty eyes and youthful looks are delightful to watch, especially during the opening tease sequence. The tease seems to work pretty well on Manuel Ferrara, who enters the scene with a raging hard-on. He snacks on Gracie's ass and pussy like a starved man. Gracie returns the oral favor and the chemistry between these two is palpable (as are the bodily fluids.) Manuel plows Gracie's pussy like a fucking maniac. She screams and cums all over his dick, and he rewards her by spraying her lower belly with jizz. These two seem to really like each other!

asa akira

Asa discusses her incredible 2010 during a brief interview. She really exploded last year and put up Performer of the Year-worthy stats. Her star is still rising—and so are our cocks. Her tease sequence is slow and sexy, allowing Asa to show off her incredibly toned body. When Asa meets Toni Ribas, he finger fucks her hard and gets her juices flowing. That's equivalent to a handshake in the world of porn. Asa slobbers and gags on Toni's tool before climbing aboard for a wild ride. Toni reaches around and fingers her asshole while she slams her hips against him. Who says romance is dead? They roll over into spoon, and his dick slides smoothly into her tight ass. Asa fucks him like this is the only cock she will ever want in her life, begging for his load. Toni gives it to her—pow, right in the kisser! Porn scenes don't get any hotter than this!

tori black

Is there a sexier woman walking the earth than Tori Black? This chick oozes sex appeal the way some dudes ooze body odor at the gym. It's no wonder she won the Performer of the Year trophy an unprecedented two years in a row—she's hot as balls. Just look at her, slowly strutting her stuff in a red and black corset and knee-high boots. Damn, she could turn a gay man straight, and a straight man into a sex offender! Fortunately, Manuel Ferrara is a kind of "professional sex offender," and knows just how to handle Tori. He feeds her his tube steak and she gobbles it down, planting her honey pot on his eager tongue. He redirects his dick inside her pussy, and the duo fuck in a variety of vaginal positions. Then Tori spread her fine ass, and Manny plows her backfield. Will he plant his seed in that tender turf? Nah, he strokes a load on Tori's smiling face, as she relishes a tasty ass-to-mouth dining experience. Five-star, for sure!

kristina rose

Kristina is an Elegant Angel favorite and watching her scene it is easy to see why. Her eyes are hypnotic, and her ass is hotter than a four-alarm fire. We'd like to take out our hoses and douse that blaze! Kristina likes to play with herself (another thing we have in common!) and lets the camera get right inside her panties for a good close-up of her finger-stuffed vagina. But Kristina needs more, and Erik Everhard is here to deliver. Kristina gets loud when Erik fingers her holes, and then she spins around to suck him off. She uses both hands and her mouth for some of the best oral footage of the movie. Kristina spews talks dirty like a champ as her pussy gets fucked. Her ass looks good from every angle, and you know Erik will find a way to slide between those cheeks. He fucks her super hard and she responds by taking every inch. Erik pulls out and shoots his load all over her face. Hot and exhausting at the same time.

jayden james

Jayden has shot plenty of scenes, but in her interview she talks about wanting to raise her profile with better productions. She came to the right place. We get to watch her showing off her body in another nicely shot tease segment. When we switch to the sex. Erik Everhard is driving Jayden crazy with his fingers. She sucks his cock in a great, but inexplicably short BJ. What's the rush? Where's the fire, Jayden? Evidently, the fire is down below, as she impales her hot twat on Erik's rod, big boobs shaking with each thrust. She shows off her ass when she gets on top, riding him like a cowgirl. He continues to pound on her from behind until he shoots a big load all over that fine ass. No anal, but expect to see Jayden's big butt get it from behind in 2011. It's gonna be a good year!

nyomi banxxx

Black beauty Nyomi Banxxx comes on screen parading around in her mock Southern Belle outfit in the house and out by the pool after her interview. This footage is interspersed with some plain metallic silver bikini clips. She's then shown on the white couch wearing a neon pink bikini and black fishnet stockings, dominating James Deen as he services her orally. How does she work in so many costume changes? Who the fuck cares? She looks damn fine! She's quite vocal when James starts to pound her pussy, and even more boisterous when he shoves his prick up her ass. But she loves it! Don't pretend you don't, Nyomi! We know what you're about. We like when she pushes back in order to get as much of Deen's dong inside of her as possible. That pussy is hungry for dick! Nyomi closes the scene on her knees, as if in prayer, while James rains white-hot semen down on her. It *is* a type of worship.

phoenix marie

Phoenix Marie sways seductively before changing into red bikini undies, then black bikini bottoms out by the pool. She struts her stuff and muff outdoors before ending up on a bed with James Deen. Phoenix isn't shy about telling James what she wants, verbally commanding him to lick and finger her pussy as she purrs contentedly. She glazes James mug with girl-goo then sucks his cock. Time to fuck! James pounds Phoenix's vag as she finger-fucks her own asshole. A glass anal plug makes a cameo appearance—making this scene an official DP—before James works Ms. Marie fanny-pack solo, drilling that tush like there's no tomorrow, tearing in that sweet ass as Phoenix locks her ankles behind her head. James showers her with cum and all leave happy. This is one of Phoenix Marie's best scenes to date!

This movie is incredibly solid from start to finish, which makes *POTY 2011* a can't-miss title. A winning feature film, one to definitely add to your collection!

THE PRICE IS RIGHT

Photos by Holly Randall for www.suze.net

Hey! It's Wicked Girl Kirsten Price! Welcome to CHERI's 35th Anniversary issue, Kirsten! What's new? "Well, my tits are new!" Kirsten explains. "I recently got them upgraded to a 34C. What do you think?" Honestly, Kirsten, we're fans of the "all-natural" look here at CHERI. Your tits were perfect before. Why get breast augmentation surgery? "Because I wanted to," Kirsten explains. "It's my body, and I'll do what I want with it. I don't care what a bunch of pervy magazine editors think! Regardless of the size of my boobs, I'm still one of the best fucks in this business!" Well, we'd have to test that theory just to make sure you're not lying, Kirsten. How about we French fuck your fake, plastic cleavage?

BUNGHOLE, TONGUE HOLE

LUCY & RIHANNA

Hey! We know that dick! It's David Perry! Damnit, David Perry, didn't we just see you fucking the daylights out of Blue Angel, like, 60 pages ago? What the fuck, David? Wasn't that hot, skinny blonde enough for you? Now you're back, sticking your bloated pecker into the steamy holes of Rihanna Samuel and Lucy Bell, two of the hottest porn star in all of Europe. Did you even wipe Blue Angel's sticky gash-goo off your cock before you waved it in Rihanna face? Can Lucy still taste Blue's pussy juice lingering on your balls? Do you realize how lucky you are, you fucking bastard? "Yes, I do," David replies. "And that was 58 pages ago I fucked Blue Angel. It was wonderful. Now, if you'll excuse me, I have to spray my seed on the smiling faces of Rihanna and Lucy." Fuck you, David Perry. Fuck you!

SUPERMAN XXX

(Vivid)

Starring: Andy San Dimas, Kristina Rose, Alexis Texas, Lexi Belle, Zoe Voss.

Axel Braun's latest addition to the Vivid XXX Superheroes imprint is essentially a mash-up of the first two Christopher Reeve *Superman* movies. Braun doesn't miss a trick parodying the Superman legend. For instance, upon hearing the news that Lex Luthor has shot a missile at Metropolis, Clark Kent feigns nausea to Lois Lane (a perfectly cast Andy San Dimas), and heads for the janitor's closet to turn himself into the Man of Steel, who flies off to intercept the missile. But aside from dealing with Lex, Superman must deal with three Kryptonian super villains (Ben English, Zoe Voss, Dick Chibbles) who show up and take Lois hostage, forcing her to suck the guys' cocks as Zoe guides her head. Zoe gets into the action too, stripping down and fingering Andy's pussy to orgasm. When Superman shows up and defeats the three bad guys (well, two bad guys and one bad girl), he arrives on Andy's terrace and, using his X-Ray vision, is able see through her panties right to her shaved bush. The two take flight before coming back to earth for some super fucking—doggie, spoon, cowgirl, and missionary. Lois swallows Superman's spunk like a champ. He's not faster than a speeding bullet after all—The Man of Steel takes his time in the sack!

ASA AKIRA IS INSATIABLE (Elegant Angel)

Starring: Asa Akira, London Keyes.

Asa Akira stretches it to the max—both her inhibitions and her various bodily orifices—in *Asa Akira Is Insatiable*. Asa takes on her first anal and double penetration scenes in this fourth and final installment of the Elegant Angel Superstar series. She proves how insatiable she is when she bursts out, "Call me a whore! Everyone, call me a whore!" She begs for a fucking, and the men give it to her hard. We don't wait too long to witness her tight ass get sodomized by Manuel Ferrara. The scene begins with a stunning solo scene, first with her plugging and unplugging toys in her ass beforehand. When the time comes for her to take Manuel in her ass, he stretches Akira's holes wide open, at times rendering her silent with orgasms. Their fuck is frenzied and impulsive. She takes his load on her face and then he flips her back over to fuck her ass more. A threeway with Akira, Manuel and London Keyes is passionate and rough, but it's a build-up to Akira's first-ever double penetration with Erik Everhard and Toni Ribas. The two get Akira off over and over and over. It's sport fucking in the best sense, and Akira's face is pure joy when the DP happens. Director Mason nicely captures Asa's first time ass violation. No disappointment here at all!

GANGBANG SQUAD 18 (Pink Visual)

Starring: Faye Runaway, Tatiana Kush, Cecelia Vega, Judy Marie.

These bad girls are not only hot, they've got the heat after them! In this edition of the Gangbang Squad, the guys play police officers, out to "bust" a nut on these unsuspecting sluts. Cecelia Vega is a pole dancer who loves showing off her smoking-hot athletic body to just about anybody who pops a boner. She'll also give you head for the right size tip. This gets her into trouble with the undercover cops, who literally nail every hole she has available. Who knew getting your cock sucked at a strip club was against the law? *Sheesh*! Tatiana Kush brings her sweet teen ass and a bag of dope over to her buyer, but then the undercover brothers flash their badges. Now Tatiana's down on her knees, blowing those pigs, and taking their fucksticks in her tight butthole. Same with Faye Runaway and Judy Marie, who both look like they'd rather get fucked than deal with the law—or follow the script. Don't do the crime if you can't do the time, ladies! Another winner in this fantastic series!

PHOTOS BY MARK LIT www.hicksphotos.com

THE ROOMMATE (Digital Playground)

Starring: Jesse Jane, Monique Alexander, Jayden Cole, Alexis Texas.

This is a simple story about two very hot chicks that share an apartment. Jesse Jane moves in with Monique Alexander, and finds it odd that there is a constant steam of dudes going up to Monique's bedroom. Her curiosity leads her to the truth, which is that Monique is doing live web-cam sex shows. That little plot twist gives us all the excuse we need for a whole bunch of sex scenes. Jesse and Monique fuck twice, but, oddly enough, they don't fuck each other. That really would have been a hot pairing. The only other girls in the movie are Jayden and Alexis. They hook up together and it's a pretty good scene. Jesse's two scenes with Tommy Gunn and Manuel Ferrara are clearly the highlight of the action here. She tears it up with Manuel. Monique fucks Mick Blue and Evan Stone. Both scenes are very high on the eye candy scale, and offer pretty good energy as well. All of the scenes look great in this movie. They are too short as usual, but on Blu-Ray the awesome eye candy carries the day.

THE FLYING PINK PIG (Cal Vista/Cheeky Monkey)

Starring: Shayla LaVeaux, Tessa Taylor, Emy Reyes, Sasha Heart, Nicki Hunter, Sunny Lane, Megan Foxx.

What is the secret behind the success of Sunny Lane's Flying Pink Pig food truck? That's what Ron Jeremy wants to know, and he's ready to employ every tactic Nicki Hunter has up her sleeve—and between her legs—to find out. The comedic plot has Sunny running the hottest, most successful food truck in Los Angeles, thanks to a special aphrodisiac ingredient. Megan Foxx helps Tommy Gunn get his mojo back, while Sasha Heart has strict instructions to make sure Michael Vegas eats every bit of his sandwich, but instead they can dine on each other. Nicki takes on Lee Stone in the confines of the truck, practically foaming at the mouth as she swallows every bit of Lee before taking him on anally. Emy Reyes demands Niko finish their fuck session by cumming in her mouth. When Sunny meets with potential investor Nick Manning, she demands he fuck her, but things don't get moving until his wife, Shayla LaVeaux, walks in and decides Sunny needs to give her something first before Nick finishes them both off with a facial. Plenty of tasty treats—and the food looks really good, too!

CHERI 35TH ANNIVERSARY

KAROLINA

DRAINING THE MAIN VEIN

KAROLINA

It's not the size of Joey's cock that Karolina likes (though it's plenty big enough to make her cum). It's not the taste of it either (though it *is* yummy—salty, with just a hint of coffee and chocolate). It's the shape and texture of Joey's cock that turns Karolina on. She loves tracing the network of bumpy veins in his rigid prick with her fingertips and tongue. "It looks like an old tree trunk...or some kind of herb I pulled out of the ground," she says between slurps of his veiny tool. "His prick looks ancient and mysterious... like something a witch would use to predict the future." Indeed, it *is* a magical fuckstick. We can use it to predict *your* future, Karolina. In less than a minute you will get blasted in the face with hot splooge. Make sure to close your eyes.

AMABELLA & BIBI

PAGING DR. BUTTFUCK

AMABELLA & BIBI

Ouch! Choky and Mike injure their backs helping a friend move his piano. The good news is there's a chiropractor's office right around the corner. The bad news is the doctor is out to lunch. But the best news Choky and Mike heard all day is that Nurse Amabella and Nurse Bibi are on duty to provide whatever services are needed. "I blew a disc helping my friend, who's a concert pianist," Mike explains, but all Nurse Bibi hears is "blow penis," so she drops to her knees and gets to work. Amabella does the same. She is "head nurse," after all, and doesn't want to be outdone by intern Bibi. Soon the guys feel no pain as they bury their bones in Amabella and Bibi's medicinal muffs and healing heinies. When the chiropractor returns from lunch, he's not sure how to treat his new patients. "My back feels better, Doc," Choky explains. "But now my front is stiff..."
